www.countbox.us

CountBOX is a service that generates detailed statistics about stores and malls: visitors, sales, conversion ratio

EASY AS IS:

TRAFFIC DATA
&
POWERFUL ANALYTIC CLOUD

ALL-IN-ONE WINDOW

One window, few dashboard's – your whole business dynamics, trends, analysis at your fingertips. Always available, always on-line. Start making better decisions today.

STAFF OPTIMIZATION

You don't need your whole team during the slow time.
You know it. We too.
We visualize all your location activities within the day.
Make efficient schedule.

CONVERSION RATIO

This is the most significant metric you've ever had.
How do we do this?
Easy API, fast integration – that's all we are about.
Try us.

LOYALTY TOOLS

Under special project realization we can much more. Biometrical recognition helps to define scammers, even they just have thought to entry your store.
Age, gender, race, mood. Those metrics are under control as well

EASY POS INTEGRATION

24/7 SERVICE

3 YEAR WARRANTY
