# MALLS

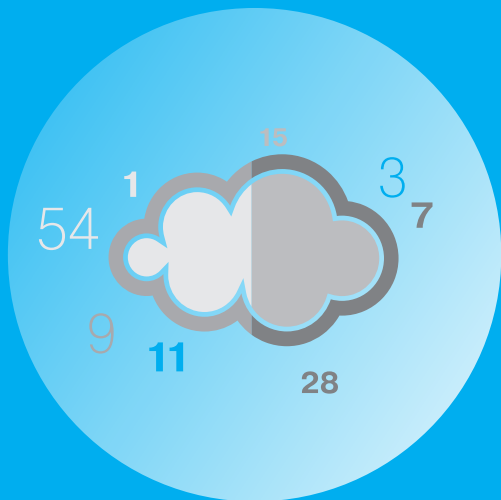

CountBOX is a service that generates detailed statistics about stores and malls: visitors, sales, conversion ratio

# EASY AS IS:

TRAFFIC DATA  
&  
POWERFUL ANALYTIC CLOUD

## VISITORS FOOTFALL

Traffic is main metric of your business. Knowledge is power. And we are ready to provide such a power for you. Manage your mall efficiently.

## LOYALTY TOOLS

Under special project realization we can much more. Biometrical recognition helps to define scammers, even they just have thought to entry your mall. Age, gender, race, mood. Those metrics are under control as well.

## SALES PER SQUARE FOOT

We know you are good in your job. Share your significant metrics with all prospects. Easy integration with your tenants POS system helps to automatize revenue share model as it never was before.

## EXTRA REVENUE

It's free for you. Just provide your tenants opportunity to get instant insights. And start making money with us. What you'd say about monthly fee 40% partner bonus back? Yeah, we know. That's really awesome.
